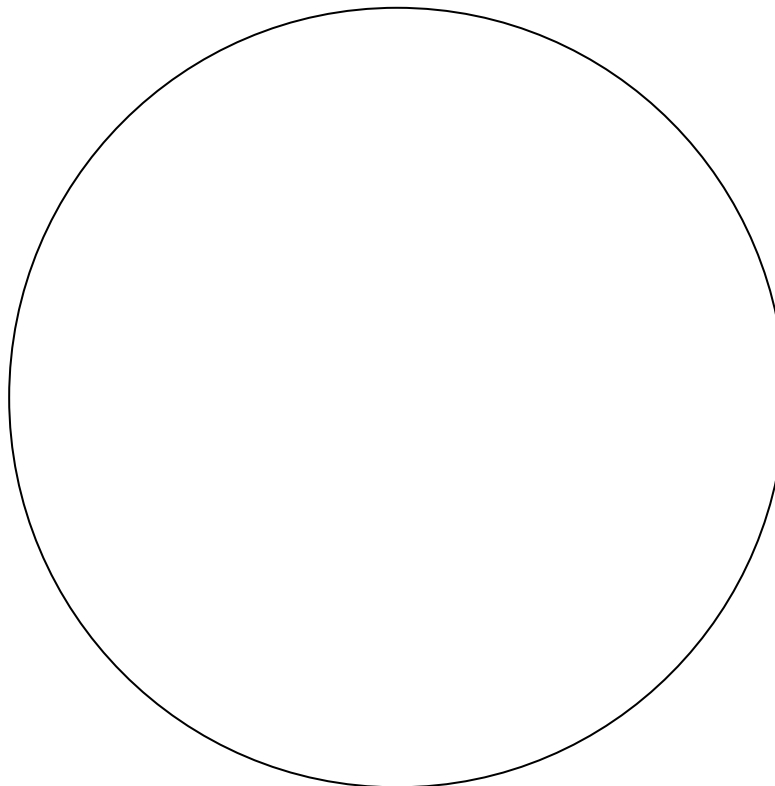

## Graphing Elements in the Human Body

Use text page 142 as a resource to complete the following chart.

<b>Element</b>	<b>Percent Mass in Human Body</b>	<b>Calculate the Degrees of Circle</b>
<b>Oxygen</b>		
<b>Carbon</b>		
<b>Hydrogen</b>		
<b>Nitrogen</b>		
<b>Calcium</b>		
<b>Phosphorus</b>		
<b>Other elements</b>		

Construct a circle graph of the information contained in the table above.

**Construct a bar graph showing the above information.**
